GoLine Route Restructure Effective April 25th

Indian River Transit restructures nine routes throughout the county

April 12, 2017 *Vero Beach, FL* - Beginning April 25th, nine out of the fifteen fixed GoLine bus routes throughout Indian River County will change its routes. Routes 1, 2, 3, 4, 6, 7, 8, 11 and 14 will be re-routed. New maps are available on all buses immediately and will be available at most public buildings by the time the new routes go into effect. Riders should note that their existing route number might have changed, even if their bus stop remained the same. For those whose bus stop has moved, a new stop has been designated nearby.

All riders are encouraged to refer to the new map for exact routes and stops. The GoLine RouteShout App can also be downloaded for free at www.GoLineIRT.com. Users can track bus routes via the app in real time and choose convenient routes for travel throughout the county.

All GoLine bus routes operate Monday through Friday, 6:00AM to 7:00PM. On Saturdays, most routes operate 8:00AM to 5:00PM. An adult must accompany riders under the age of 12 and all passengers must be able to board, disembark and carry their own packages on and off the buses. GoLine does not charge a fare for passengers, but passengers are encouraged to make a donation to help support the complimentary transit system.

For additional inquiries, please contact Indian River Transit at 772.569.0903 between the hours of 6:00AM and 7:00PM or visit www.GoLineIRT.com.
