

SANTA FOR SENIORS

Let's make the season merrier for our community's seniors!

Thank you for helping Senior Resource Association (SRA) bring holiday joy to **more than 1,000 isolated seniors**. Your gift may be the only one they receive so we gratefully suggest the following items, carefully selected to show each senior they are special to us. Our dedicated elves (volunteers and staff) will deliver all gifts during December.

Please note a few guidelines for our seniors' health and safety:

Handmade gifts can no longer be accepted • Gifts must be new and in original packaging
Gifts must be unwrapped – but accompanying gift bags are greatly appreciated!
