Silver Tones FAQ

When may I ask questions during rehearsal?

Questions may be asked of the director at any time during rehearsal by signal of your hand raised.

What if my normal seat is taken?

All seating is flexible until the day of the concert, if you are in your section, any seat is fine. There are no assigned seats for any rehearsal except the final dress rehearsal.

Does the rehearsal room get cold sometimes?

Yes. It is recommended for you to bring a light jacket/sweater.

When can I join the group?

Open enrollment all year! If you are a brand-new member, we require that you participate in rehearsals **2 months prior** to any 1 of 3 concerts to be able to sing in that concert. If you join the group and we are only one month away from the concert, then you are most welcome to participate in all rehearsals, but you may not be able to sing in that subsequent concert, this is up to the discretion of the Silver Tones Choral Director.

What if I'm interested in a small group or a solo experience?

There will be formal auditions for solos and for small groups. If you are in a small group, then you will be singing as a group during the entire song. If you have a solo, then you may not participate in a small group, and vice versa. All you need to do is sign up for either experience when they are offered during rehearsals.

I have a problem or a question about the Silver Tones or SRA.

If the question or issue cannot be directly answered by the Silver Tones Committee Chair or the matter is personal or private, please direct your question or comment to the SRA contact by phone, email or in person.
